20. New Motions

1. Renaming of Indian Road, as Amended

Resolution Number: 2025-224

Moved by: Councillor Ridge

Seconded by: Councillor Stephen

Whereas Indian Road is a municipal road that runs through an established residential community located in Kingston Central that has approximately sixty-two residential properties that abut it; and

Whereas there are three City parks located on Indian Road that are referred to as Indian Road Park, Indian Road Parkette A and Indian Road Parkette B; and

Whereas the use of the word “Indian” is outdated and derogatory when referencing Canada’s First Peoples, Metis and Inuit and/or Indigenous persons and cultures more broadly; and

Whereas City of Kingston By-Law Number 2005-98, the Civic Addressing and Road Naming, provides that “names that are discriminatory, offensive, or derogatory, shall not be permitted”; and

Whereas street renaming should take into consideration feedback from impacted residents and community members; and

Whereas some municipalities offer compensation to residents impacted by road renaming;

Therefore Be It Resolved That staff in the Planning Services and Community Development, Wellbeing & IIDEA departments be directed to initiate a process to rename Indian Road, and work with the current homeowners on the street on the transition to a new road name; and

That this process include consultation with:

1. residents directly affected by the proposed name change;
2. Indigenous service organizations that service indigenous peoples in Kingston, such as but not limited to, the Kingston Native Centre and Language Nest, Four Directions Indigenous Student Centre, Kingston Aboriginal Community Information Network, the Molly Brant Foundation, and the Kagita Mikam Métis Nation of Ontario
3. Indigenous nations with a recognized relationship to the land in question, approached respectfully on a nation-to-nation basis, in keeping with principles of Indigenous land stewardship such as but not limited to the Mohawks of Treaty 57, the Anishinaabe, the Haudenosaunee, and the Huron-Wendat peoples; and

That staff be directed to return to Council in the first half of 2026 with the outcome of the renaming process for Indian Road, Indian Road Parkette A and Indian Road Parkette B; and

That recognizing that the neighbourhood including and surrounding Indian Road carries a reconciliatory commemorative history embedded in its very toponym, one that predates the Truth and Reconciliation Commission's Calls to Action, the City study, verify, and commemorate this history through appropriate interpretive signage or installations in the neighbourhood; and

That this reporting back include financial considerations associated with the renaming, to both the municipality and to private property owners.

YEAS: (7): Councillor Amos, Councillor Boehme, Deputy Mayor Cinanni, Councillor Hassan, Councillor Ridge, Councillor Stephen, and Councillor Tozzo

NAYS: (3): Councillor Glenn, Councillor McLaren, and Councillor Oosterhof

ABSENT: (3): Councillor Chaves, Councillor Osanic, and Mayor Paterson

Carried as Amended (7 to 3)

Amendment:

Moved by: Councillor McLaren

Seconded by: Deputy Mayor Cinanni

That New Motion 1 be amended to delete the second recommendation clause and replace with the following:

That this process include consultation with:

1. residents directly affected by the proposed name change;
2. Indigenous service organizations that service indigenous peoples in Kingston, such as but not limited to, the Kingston Native Centre and Language Nest, Four Directions Indigenous Student Centre, Kingston Aboriginal Community Information Network, the Molly Brant Foundation, and the Kagita Mikam Métis Nation of Ontario
3. Indigenous nations with a recognized relationship to the land in question, approached respectfully on a nation-to-nation basis, in keeping with principles of Indigenous land stewardship such as but not limited to the Mohawks of Treaty 57, the Anishinaabe, the Haudenosaunee, and the Huron-Wendat peoples; and,

ABSENT: (3): Councillor Chaves, Councillor Osanic, and Mayor Paterson

Carried (10 to 0)

Amendment:

Moved by: Councillor McLaren

Seconded by: Councillor Oosterhof

That New Motion 1 be amended to add the following clause as the second last recommendation clause:

That recognizing that the neighbourhood including and surrounding Indian Road carries a reconciliatory commemorative history embedded in its very toponym, one that predates the Truth and Reconciliation Commission's Calls to Action, the City study, verify, and commemorate this history through appropriate interpretive signage or installations in the neighbourhood; and,

YEAS: (10): Councillor Amos, Councillor Boehme, Deputy Mayor Cinanni, Councillor Glenn, Councillor Hassan, Councillor McLaren, Councillor Oosterhof, Councillor Ridge, Councillor Stephen, and Councillor Tozzo

ABSENT: (3): Councillor Chaves, Councillor Osanic, and Mayor Paterson

Carried (10 to 0)

Amendment:

Moved by: Councillor McLaren

Seconded by: Councillor Glenn

That New Motion 1 be amended to insert the following clause after the first recommendation clause:

That given the reconciliatory history embedded in the neighbourhood's toponym, public consultation should not begin from the assumption that a name change should occur, but rather include open consideration of whether the name should be changed—in light of the historical intent to honour Indigenous presence and contributions; and

That New Motion 1 be further amended in the first recommendation clause to add the word 'consultation' between the words 'a' and 'process', replace the word 'rename' with the words 'consider renaming' and delete the words 'and work with the current homeowners on the street on the transition to a new road name;' and read as follows:

Therefore Be It Resolved That staff in the Planning Services and Community Development, Wellbeing & IIDEA departments be directed to initiate a **consultation** process to **consider renaming** Indian Road ~~and work with the current homeowners on the street on the transition to a new road name;~~ and

That New Motion 1 be further amended in the original third recommendation clause to delete the word 'renaming' and replace with the word 'consultation' and read as follows:

That staff be directed to return to Council in the first half of 2026 with the outcome of the **consultation** process for Indian Road, Indian Road Parkette A and Indian Road Parkette B; and

That New Motion 1 be further amended in the final recommendation clause to add the words 'installations and potential' between the words 'the' and 'renaming' and read as follows:

That this reporting back include financial considerations associated with the **installations and potential** renaming, to both the municipality and to private property owners.

2. 924 Sydenham Road Use

Moved by: Councillor Chaves

Seconded by: Councillor Boehme

Whereas the City of Kingston is facing a homelessness crisis like other urban communities in Ontario and Canada; and

Whereas the City of Kingston established a temporary shelter at 38 Cowdy Street with the intention to close it after a couple of years and City Council directed staff to disperse shelter locations across the city; and

Whereas the City of Kingston recently purchased the property located at 924 Sydenham Road with the intent of establishing a 30 bed shelter for unhoused individuals, to open in late 2025; and

Whereas the opening of a new shelter is a first step to geographically redistributing shelter operations and preparing for the closure of the shelter at 38 Cowdy Street; and

Whereas city staff held a public meeting on May 29th, 2025, during which many residents expressed concerns with the proposed homeless shelter location due to its proximity to the Cataraqui Cemetery and anticipated behaviours of shelter population and impact on the neighbourhood;

Therefore Be It Resolved That Council direct staff to remove 924 Sydenham Road property from the consideration for a homeless shelter; and

That Council direct staff to consider another use for the property, including mixed market and affordable housing or initiate a process to dispose of the property.
